### **BB KING'S BLUES CLUB – OVERVIEW**

BB King's Blues Club is located on historic Beale Street and offers a variety of delicious Southern Comfort food fused with flavors from around the globe. The intimate supper club style restaurant & live music venue consists of 3 full-service bars in 3 different areas ranging from a mezzanine that looks over the main stage, a VIP semi-private room and a large dining area on the main level.

The "B.B. King All Star Band" – a hand-selected house band complete with a full horn section – will have your guests jamming to music inspired by the King of Blues, the Queen of Motown and the Soul of Funk. The musicians will remind you why Aretha demanded R-E-S-P-E-C-T, why Tina left her good job in the City, why Ray has Georgia on his mind, and what the Temptations are talking about!

There is not a bad seat in the house to view the band on the raised stage, with a huge dance floor for your guests to get up and dance their blues away.
